Thank you all so much for making the transition so easy! I am really enjoying getting to know everyone!

Thank you to those parents that have sent Clorox wipes! 'Tis the season for extra germs and we want to keep everyone well and at school.

There are about 4 more weeks before we begin weekly multiplication mad minute. Please have your child work on them daily to commit them to memory.

Students must have 2 passed lessons and 60 minutes in iReady weekly.

-Mrs. (Senora) Christy Gonzalez, EdS
