

Bell Academy

In regards to the great accomplishments for your "A" rated excellence. Our family would like to congratulate you all once again. We found your balloon celebration on our hunting lease just outside of Macon, MS. Please see attached map with coordinates. This will allow you to show the children how far the winds brought their celebration.

Winds are like "life choices", you can never predict where it will take you, but rests assure that the journey will be fun and challenging. Always strive to excel higher than the minimum required, and show everyone what you can do. We wish each of you the best in Life, and hope to receive another balloon celebration in the future.

Sincerely,

Rocky and Crystal Hickman
