March 11, 2022

Parents,

We are excited to announce the Cleveland School District will provide free, no charge tutoring services for all 3rd-12th graders in our district.

Tutoring services will be available 24x7, on-demand and with a **live** tutor until September 30, 2024. Tutoring can occur one-on-one at any time; or in small groups when coordinated by the classroom teacher during the school day.

Additionally, students and teachers will have unlimited access to the platform. We do recommend usage throughout the week to help accelerate student learning across the board. Services are also available for EL students and those with special needs.

In the interim, MDE will provide the district overview sessions/office hours where you can come and learn more about the PAPER tutoring services, data dashboard, and ask questions.

These sessions will occur on a repetitive basis for the next 3 months and occur every Tuesday and Thursday. Because the sessions will repeat, attendees will only need to attend one session, if they desire. Students may also attend a session. The dates for the session are listed below, along with a registration link.

- Every Tuesday at 12:00p-12:45p CST (March 15, 2022 - May 24, 2022) ([Registration Link](#))
- Every Thursday at 4:00p-4:45p CST (March 17, 2022 – May 26, 2022) ([Registration Link](#))

Should you have any questions or need assistance, please do not hesitate to contact me.

Educationally yours,

*Tiffanie Russell*
