

CLEVELAND SCHOOL DISTRICT
2020-2021 Instructional Option *Parent Choice Form 9-12*

Beginning Tuesday, September 8, 2020, parents will have an option to allow their students to continue instruction face-to-face or opt into online instruction for most classes. All classes do not qualify for online instruction.

CCHS will offer online class options for almost all classes utilizing Grade Results. MDE currently has not waived the End Of Course Assessment graduation requirement for 2020-2021. Due to the requirements placed on these courses for graduation and the difficulty of these classes. We will not be able to offer English II, Algebra I, Biology I, and U.S. History (also AP U.S. History) online. This also applies to the complementary classes Comp Math II, Comp English II, and Creative Writing, because these classes are taught along with English II and Algebra I so all of the standards are covered.

Students enrolled in these courses can take other classes on their schedule online, but will be required to come to the school each day to take the classes listed. If a student chooses not to attend in person for these classes, the classes will be removed from their schedule, and they can take the classes next school year.

Due to the lab requirements for upper-level science classes, students will be required to come on their lab days to complete labs. This applies to AP Biology, Biomedical Research, Chemistry, Genetics, Human Anatomy, and Microbiology. If a student chooses not to attend in person for these lab days, the classes will be removed from their schedule, and they can take the classes next school year.

Due to the lab requirements for the technical education classes, students will be required to come on their lab days to complete labs. The following CTE classes have required lab components: Automotive, Construction, Engineering, Health Sciences, Information Technology, Law & Public Safety, and Welding.

All other courses will be offered online using Grade Results along with a schedule of online face to face time with a certified teacher.

We need to receive an instructional option form for each registered student. This will assist us with adequate planning for optimum instruction. Please complete the form and return to your child's school by Friday, July 31, 2020. For more information, please contact your child's principal.

Please Note: attendance, state testing, graduation, and all other requirements as outlined by the Mississippi Department of Education and Cleveland School District Board Policy applies to both face-to-face and online instruction.

INSTRUCTIONAL OPTION

CHOOSE ONE

	My child will continue instruction face-to-face Tuesday, September 8, 2020.
	My child will begin instruction online Tuesday, September 8, 2020.

By selecting online instruction, I certify that I have access to a device and internet service that can support our Learning Management System and Instructional Websites. I understand that the Cleveland School District is not responsible for providing a device or internet service.

I also certify that I understand that not all classes qualify for online instruction. If my child has classes or labs that require face-to-face instruction, it is my responsibility to ensure they are at school for those classes/labs or choose different classes for the 2020-2021 school year.

I further certify that I understand attendance, state testing, graduation, and all other requirements as outlined by the Mississippi Department of Education and Cleveland School District Board Policy applies to both face-to-face and online instruction. My child must meet all requirements for promotion and graduation.

Additional Information

In the event we have to transition to 100% online instruction district-wide, my child has access to a device.
